### Zaheed's monologue

Hi guys, I'm Zaheed Jamal, a youth Corper in this state. I've lived in abuja all my life and, moving here has been an influx of one mad fun after the other! Besides, the babes here are curvaceous and ever ready to mingle.

Truth is, I love women. Whether tall, short, dark or light skinned, I love them all!! C'mon, all this raw maleness cannot go to waste na, man's got to gift the ladies from time to time ; if you know what I mean.

I've made crazy friends here o, one of which is that mumu Omoh... I call him mumu because, he has refused to be smart-lady wise. Instead, he chose to stick to one girl. I know you'll be wondering, why I'm still friends with him. Truth is, he's smart, funny and devoted friend. I wouldn't trade that for the world.
